MSCA Officers' Reports:
President – C.J. O’Donnell

Working Group on Student Learning Outcomes and Assessment
Commissioner Richard Freeland appointed me to this BHE task force. The first meeting was held on January 14th. Future meetings are scheduled for February 18th, March 9th, April 5th, May 11th and May 27th. The committee is chaired by Pat Crosson. Attached is a list of the names of the members of the task force.

I was pleasantly surprised at the candor of the members of the task force as well as the concerns that were expressed by a number of the members regarding the result of any report and how it might be used, regardless of the intent of its use.

The commissioner wishes to have a stage one report to the BHE by summer.

DGCE Contract
Commissioner Freeland and Peter Tsaffaras signed the Memorandum of Agreement in December.

Sue Dargan, Bob Whalen, Mark Peters and I worked out the final technical changes to the 2010-2011 agreement this week. Mark and I initialed the pages of the agreement yesterday. The necessary management signatures will be gathered by Mark Peters upon his return from vacation later this month.

Day Contract Reopener Meeting

Fred Clark from the State Colleges, and Bill Hart and Jim Brown from the Community Colleges on January 21st.

After receiving the “discussion points” document and an oral presentation of the same, the MSCA presented the BHE with our written questions. At this time we have not received a written response to those questions. A response will be forwarded to the Board as soon as one is received.

Representatives of the UMass Board of Trustees met with the UMass unions on January 28th. I have attached the document that those unions were presented with.

Further discussion of this item will take place in executive session later in the meeting.

It was suggested that a program on the state budget, featuring Noah Berger as the main speaker, be planned for Massachusetts higher education union boards.

Treasurer Pavlicek distributed the most recent MSCA dues and agency fees breakdowns and noted that fees for agency fee payers has decreased slightly. Agency fee payers will receive reimbursement for overpayment when applicable.

**MTA Reports**
*DGCE Bargaining Unit – Bob Whalen*
Not present.

*Day Bargaining Unit – Donna Sirutis*
Consultant Sirutis noted that using the Division of Labor Relations for mediations saves the MSCA a considerable amount of money: private mediators’ rates are over $1000 a day; the only fee associated with the Division of Labor Relations is the $75 per case filing fee.

Consultant Sirutis distributed a quiz to Board members on promotion eligibility. Discussion followed.

*Director – Ron Colbert*
Director Colbert reviewed discussion at the last MTA Board of Directors meeting. There are two candidates for MTA President – current MTA Vice President Paul Toner and Paul Phillips from Quincy. ESPs are still interested in having a seat on the MTA Executive Board. There are two candidates for the higher education seat on the MTA
Executive Board – Max Page (MSP Amherst) and Donnie McGee (MCCC). The MTA Executive Director was recently evaluated. The MTA is no longer considering selling the building at Ashburton Place. MTAB sale was discussed; will be sold for around $7 million with an additional $1 million payment each year to the MTA for using the MTA logo.

**Chapter President's Reports:**

**Worcester**

The Board of Trustees has not responded to the faculty/librarians’ vote of no confidence in President Ashley. A budget committee, with senior faculty members was formed without going through the chapter. There is a new DGCE program being developed offering seven-week courses with lowered admission standards to become a matriculated student. The college administrators are changing the DGCE course overload policy. College administration stated that no faculty may enter the Sullivan Building (the main faculty office building) beginning the first day of spring break due to campus police training exercises. There’s a new Provost and Vice President for Academic Affairs, Dr. Charles Cullum, formerly of Kutztown University.

**Westfield**

The Academic Vice President is interested in grade inflation on campus. Institutional Advancement is getting involved. Discussion followed. The president of the college is trying to develop unique programs within DGCE.
