It was moved and seconded to approve the minutes of the April 24, 2015, meeting. The motion passed.

MSCA Officers’ Reports
President’s Report – CJ O’Donnell
2015-2016 MSCA Board Meeting Dates and Locations:
President O’Donnell distributed proposed meeting dates and locations.

It was moved and seconded to approve the proposed meetings dates for the 2015-2016 MSCA Board meetings.

It was moved and seconded that the September 4, 2015 proposed Board date be moved to September 11, 2015. The motion passed.

The amended motion to approve the proposed Board meeting dates passed.

Duplication of the 2014-2017 Day Collective Bargaining Agreement:
President O’Donnell expects Commissioner Santiago to sign the contract on August 1, 2015.

July 1, 2015 Increases:
The process of getting the July 1, 2015 formulary increases computed has begun. President O’Donnell is hopeful that they will be on time this year, but there are a series of steps that could cause a delay.

The July 1, 2015 1.75% salary increases will be paid despite rumors to the contrary. President O’Donnell does not know if a decision to delay them will happen if the
formulary increases are late. The July 1, 2015 increases are due in the pay advice that is distributed on July 17, 2015.

2014-2015 PTR Payments: President O’Donnell distributed the final results. Five campuses have implemented those salary increases; three campuses will do so before the next formulary increases; one has not responded to inquiries.

Status of the DLR decision on the 15% Rule: To date Bridgewater, Framingham, Westfield and Worcester have met with the MSCA to demonstrate that they have a plan to be in compliance no later than the 2017-2018 academic year.

March 2015 NCHE Meeting in Orlando, FL: Ron Colbert (Fitchburg) was the only MSCA member to attend the National Council of Higher Education (NEA) meeting in Florida in March. The MSCA Board approved reimbursement for members of up to $1,000. Since Ron was the only member to attend, President O’Donnell informed the NCHE President that Ron was authorized to cast the MSCA’s organizational vote, which he did.

As Ron was the only attendee and he cast our votes for us, President O’Donnell asked the Board to approve an additional $789.98 so that he is 100% reimbursed. Ron has already submitted his receipts. Had President O’Donnell attended to cast the MSCA votes that would have cost the MSCA $1,000 in reimbursement to me, so this is a net savings for the organization.

It was moved and seconded to approve to reimburse Ron Colbert for the additional $789.98 to attend the March 2015 NCHE Meeting in Orlando, FL. The motion passed.

Vice President – Robert Donohue
The new commissioner of higher education is Carlos Santiago.

Retirement Incentive Program:
A successful meeting was held with management to discuss a retirement incentive program for MSCA members. It is hoped that the handbook will be available for chairs by the beginning of the academic year.

Chair Pendharkar provided Board members with a brief report. The next meeting of the Grievance Committee will be in September. Mediation dates have been set for the next year.

All Step 1 and Step 2 grievances will be handled during the summer months. For assistance, first contact Chair Pendharkar and then President O’Donnell.

MTA Reports:

The campus hopes to begin the presidential search by the end of the summer and complete the search by the end of December. The committee will have some new and former members. Three seats will be held by faculty members.

MMA:
Fran McDonald has been named the new president of MMA. He will begin on July 1.

Salem:
There is no final agreement with Montserrat, a decision will be made by July 1.

There are numerous administrator vacancies.
Westfield:
Westfield State paid its commencement speaker $30,000.

The presidential search continues. The interim president’s inefficiencies are causing problems on campus.

Administration is working on compliance with the 15% rule. Fall semester will prove to be a problem regarding compliance due to an increase in enrollment.

A search is underway for a Dean of Undergraduate Studies.

A person has been hired in an administrative position in the Physicians Assistant department. It is expected that this individual will be moved into the faculty.

A new Provost and a new Director of Human Resources have been hired. The Dean of Humanities is leaving.

Respectfully submitted,

Nancy George
