

Directions and Parking

Fitchburg State University is located in a residential section of Fitchburg, the urban center of North Worcester County. It's approximately 25 miles north of Worcester, 50 miles west of Boston and 15 miles south of New Hampshire. The compact campus of 32 buildings on 48 acres is easily accessible by car, bus or train from all areas of New England.

The **Admissions Office is located at 280 Highland Avenue in the Anthony Building**. To reach the office, you must enter at the intersection of Highland Avenue and Pearl Street (Campus Pizza is on the corner) since Highland Avenue is not a through-street. Admissions has reserved parking spaces in front of the Anthony Building. Additional spots may be found in the Ross Parking lot, if the spots in front of the Anthony Building are all taken upon your arrival.

Parking on Campus

When you are visiting the Admissions Office Monday-Friday, you will be issued a temporary parking pass at check-in to place on the dashboard of your car. If you are visiting for one of our Saturday Information Sessions and Tours, the confirmation letter or email you receive will let you know where the information session and tour will be held the Saturday that you choose to visit the campus and where to park.
