Hello CJ,

In light of your communications with the Commissioner, lets try to find some time for an off the record conversation with the Commissioner on the CBA issue in the next week. Either provide some specific dates and times that work for you, or alternatively, please provide days of the week and times of day that would be available to you to meet.

If you have any questions, please contact me via my cell 617-780-4990.

Mike
