

HOTEL ROOMS + PRECONVENTIONS

HOTEL – RESERVATIONS BEGIN MARCH 6 AND CLOSE APRIL 1

Reservations will be accepted from March 6 to April 1. NO reservations will be accepted before March 6. Availability of reservations and price cannot be guaranteed once rooms are sold out. The hotel will sell out by April 1, so it is important for large delegations to reserve rooms starting March 6.

This year there is one hotel option in the discounted block: The Sheraton Boston. The hotel now accepts online reservations. Go to www.massteacher.org/annualmeeting for the hotel's reservation links. **There are NO paper reservations;** you MUST use the online link with a credit card to secure your reservation. Please only reserve rooms that you or your delegation will be using. Reserving more rooms than you need and canceling them at the last minute puts the MTA at risk of losing money.

Regional preconvention meetings provide elected delegates with critical information and the materials they need in their decision-making at the Annual Meeting. Delegates are strongly urged to attend the preconvention meeting closest to them. These meetings provide a smaller setting in which to raise any questions about the Annual Meeting in general. In order to streamline budget

deliberations at the Annual Meeting, delegates are asked to study the proposed 2019-2020 MTA budget carefully and bring any questions to their preconvention meeting. Delegates may also submit questions in advance. E-mail them to Governance@massteacher.org.

Each meeting is scheduled to begin at 4:30 p.m., with registration starting at 3:30 p.m.
