APPENDIX B
POLICY ON HANDLING ANONYMOUS COMPLAINTS

The Board of Higher Education, acting by the Council of State College Presidents (“the Board”), and the Massachusetts Teachers Association, acting by the Massachusetts State College Association (“the Association”), agree as follows:

1. The administration of each University shall not take adverse action against any unit member on the basis of anonymous complaints, including complaints where the complaining individual is known but does not want his/her identity disclosed, whether such complaints are made orally or in writing, unless the unit member agrees to the action, or unless there is a series of anonymous complaints against the unit member concerning the same issue. No record of any action so taken shall be placed in the unit member’s personnel file or used in connection with the making of any decision under Article VIII, VIII-A, VIII-B, VIII-C, IX, XII, XII-A, XII-B, XIII, XX or XX-A of the parties’ collective bargaining agreement.

2. Adverse action means any negative employment action and shall not administrative action based on a suspicion, belief or conclusion of inappropriate conduct or wrongdoing by a unit member—include interim action or measures implemented, such as paid administrative leave, contact and communication restrictions, and/or necessary reports to law enforcement or other agencies.

3. This agreement does not prohibit the administration from orally informing the unit member of the fact that such a complaint has been made and disclosing the nature and substance of the complaint, or conducting further review of the complaint, including asking the unit member to respond to the complaint; nor does it prohibit the administration from informing any member of the bargaining unit concerning his/her legal obligations.

4. This policy is consistent with and not limited by the attached Memorandum of Agreement made the 3rd day of December 1996.

5. Nothing in this Policy governs the manner in which complaints that are not anonymous may be used or dealt with.

6. This Policy shall have no application to matters, including complaints, addressed by the EO Plan.

7. Annually, during the month of September, each University shall distribute this Policy and the attached Memorandum of Agreement to each of the following persons: the Vice President for Academic Affairs, all Deans who hold academic positions, including all School Deans and/or Directors, the Library Director, Library Program Area Chairs and all Department Chairs.
