

Taskforce for Student Evaluation Instrument

Create a taskforce composed of no more than eight (8) members (four (4) representatives of the bargaining unit and four (4) administrative representatives) who will work in parallel with contract negotiations to identify a new instrument and process for administering student evaluations, which the negotiation teams will consider for incorporation into the 2020-2023 agreement before its final approval and ratification. The responsibilities of the taskforce will be:

- (a) Identify an existing, or develop a new, student evaluation instrument;
- (b) Identify a modality for administration of the student evaluation instrument; and
- (c) Identify a new vendor for the administration of the evaluation instrument and analysis of the results.
