

MSCA Legislative campaign regarding American Rescue Plan Act (ARPA) funds

The Board-approved plan will include:

Education:

- Educating members about the ARPA funds and legislation
- Creating handouts and other types of easy to access and understand information for members
- Encouraging and supporting campus legislation committees

Collaboration:

- Organizing and increasing our power by collaborating with other unions; such as APA and other MTA-affiliated unions, but also AFSCME and others

Advocacy:

- Demanding that legislators support and fairly fund public higher education
- Reaching out to members who attended the ARPA Forum or other events to encourage them to become more involved
- Reaching out to all membership to directly contact their legislators
- Action Network emails
- Building towards a larger in-person action on opening day or move-in day across the system
