

Be **ALL IN** with the MTA this Summer!

**WANTED:**

## Summer Member Organizers

The MTA is looking for members to reach out to fellow educators about what it means to be *All In* for the union and to educate parents and other community allies to help pass the Fair Share Amendment in November.

In the months ahead, Summer Member Organizers will canvass and phone other members to have conversations about growing and strengthening our local unions and/or reaching out to the community to support and help pass the Fair Share Amendment ballot initiative — also known as the Millionaires' Tax — in the November general election. If selected, you will receive ongoing training. You will then be able to take the organizing skills you have learned and apply them in your own local, assisting in the orientation of new members and continuing the fight to pass the ballot measure.

### Minimum Qualifications:

1. Current MTA member
2. Commitment to the successful passage of the Fair Share Amendment ballot initiative
3. Prior organizing experience preferred
4. Strong interpersonal communication skills and ability to collaborate as a member of a team
5. Self-motivated, with attention to detail and responsible follow-through
6. Ability to identify and discuss member issues and progressive tax reform
7. Personal transportation and valid driver's license

**Duration:** Four or six weeks: July 6-August 27

### Compensation:

**Lead Member Organizer:** \$31 per hour, 30 hours per week – \$930 per week plus business mileage

**Summer Member Organizer:** \$26 per hour, 25 hours per week – \$650 per week plus business mileage
